## **W E COX CLAIMS GROUP (EU) SAS**

Dear all,

Whilst 2020 has been one of the strangest and most challenging in our history, we look forward to 2021 with excitement and anticipation. As well as being the 60<sup>th</sup> anniversary of the founding of W E Cox by William (Bill) E. Cox, we are delighted to announce further exciting news that will ensure the continued success of W E Cox for a further 60 years and beyond.

As many of you will know W E Cox has had a surveying presence in France since 2016, firstly with CWH Europe and following the 2018 merger with E.L. Johnson's Sons & Mowat, CWH Johnsons International. With offices in Lille and Marseille and a dedicated team of surveyors across Europe, CWH Johnsons International has developed into one of the leading marine, cargo and freight liability surveying companies in Europe. Naturally we have received requests to assist beyond surveying and are delighted to be able to announce the launch our new European Head Office in France, W E COX CLAIMS GROUP (EU) SAS.

Complimenting W E Cox Claims Group's established hub offices in Australia, Singapore, Hong Kong, Malaysia and the USA, W E COX CLAIMS GROUP (EU) SAS are delighted to be able to provide our clients with a full claims service from Discovery to Recovery through W.E. Cox & Co. (Recoveries), W.E. Cox Claims Group Europe, CWH Johnsons International and ELJ Sales, within France and wider Europe from 1<sup>st</sup> January 2021.

W E COX CLAIMS GROUP (EU) SAS will utilise the current offices in Lille and Marseille and will be headed up by Marie-Laure Mirrione who has been promoted to European Director. Marie-Laure will report directly to the board of W E Cox and for those of you that do not know her, has over 30 years of marine claims, recovery and survey experience including considerable time as a P&I correspondent and Lloyd's Agent.
